Now businesses of all sizes can build a world-class employee experience

It's not just the biggest businesses that can use game-changing technology to engage and connect their team members.

At Engage & Prosper, we've created a ready-built mobile-based enterprise-grade app that can be customised to suit your business and be up and running in a matter of days.

Features include:

- **Stay in sync**
Calendars and event diaries to keep your workforce up-to-date with corporate events, training sessions and social gatherings. No more missing out on those insightful sessions, must-do training or fun company BBQs!
- **Connect, collaborate and celebrate**
Harness the power of social news feeds and employee-generated content. Foster collaboration, gather insights and celebrate achievements. The intuitive dashboard makes daily management an absolute breeze.
- **A multi-channel experience**
Engage your employees with a variety of media formats across different channels. Link your social content seamlessly and tailor topics for specific departments.
